PROFILE SUMMARY

Highly motivated and skilled B Tech Computer Engineering graduate with a solid understanding of computer systems and software development. Strong Collaborative problem-solving abilities, paying attention to details, Excellent communication and teamwork skills fostered through collaborative projects and internships. Seeking a challenging role in computer engineering to apply my knowledge and contribute to innovative technology solutions.

EDUCATION

BACHELOR OF TECHNOLOGY (Computer Science Engineering)
Dr. Babasaheb Ambedkar Technological University, Lonere   AY 2022 - 2023

DIPLOMA IN ENGINEERING (Computer Engineering)
Shri. SIddheshwar Women's Polytechnic, Solapur.   AY 2019 - 2020

HIGHER SECONDARY SCHOOL (12TH)
Shanti Junior College of Science, Solapur.   AY 2016 - 2017

SECONDARY SCHOOL (10TH)
Modern High School, Solapur.   AY 2014 - 2015

SKILLS

Programming Languages: Java, C++, PHP, Advanced PHP	;	Database: MySQL, Oracle SQL
Web Technologies: HTML5, CSS	;	Collaborative Problem-Solving
Flexibility to work in shifts	;	Communication Skills
Timely completion of deliverables	;	Teamwork & Accountability
Multi-tasking	;	Confident Decision Making
Ability to prioritize	;	Attention to detail

PROJECTS

1. Student Management System:

   Developed a highly efficient web application using PHP, MySQL, HTML5, and CSS to streamline student information management processes, resulting in a 40% reduction in administrative tasks.
   Implemented user authentication and data validation features to ensure data security and accuracy.
   Collaborated with a team of three members to meet project milestones and ensure timely completion.

2. Design & Development of Online Shopping Wall Using QR Code Technology:
   Designed and developed a user-friendly web application for an online shopping wall using QR code technology.
   Integrated QR code generation and scanning capabilities to connect physical products with online product information.
   Utilized PHP, MySQL, HTML5, CSS3, and JavaScript for product listing, shopping cart management, and payment integration.
   Ensured responsive design for seamless shopping experience across devices.
   Successfully delivered the project within the timeline, meeting all requirements and receiving positive user feedback

INTERNSHIP

- PHP Full Stack Developer Intern, In Tech IT Solutions.
  - Assisted in developing and maintaining web applications using PHP, HTML5, CSS, and MySQL.
  - Collaborated with the development team to troubleshoot and resolve software issues.
  - Participated in team meetings to contribute ideas and strategies for optimizing application performance.
- Web Developer Intern, PHN Technology
  - Gained practical experience in web development during an internship focused on HTML and CSS.
  - Acquired proficiency in HTML, CSS, and related technologies through hands-on training and mentorship.
  - Actively engaged in self-study and online resources to further enhance knowledge in front-end development.

CERTIFICATIONS

- Certificate for completing TCS iON Email Etiquette Course (2023)
- Certificate for Participating in a one-week Workshop on "AWS using Modern DevOps" (2022)
- Certificate for attending AWS Online Cloud Conference (2022)
